When picking up or dropping off your student...

Dancers are to be picked up **promptly** by parents when class is dismissed. If someone other than a parent will be picking up your child, please notify the instructor or the front desk. If you will be late picking up your student, please call the studio to let us know so your child does not begin to worry.

When dropping off your student, please bring them into the studio. Do not drop them off in the parking lot. Please do not drop young students off more than 5 minutes early without adult supervision. Instructors use this time before class to prepare and cannot be responsible for watching children.

For the safety of our students, parents need to come **inside** the studio to pick up their children. Young children are **not** to run out to waiting cars. Dancers under the age of ten must wait **inside** the building to be picked up. Older children must wait inside the building until their ride has parked! The parking lot can get very busy and children cannot be darting in and out of the building or parking lots, please inform your child of this very important rule. Dance Expressions cannot be responsible for those who do not follow this policy.

Storm season is coming! In case of weather concerns please contact the studio.

PLAN AHEAD...

Costume deposits will be due in December.

Remember...

Tuition is due the first lesson of each month.

Label all Dance Shoes!

Label all of your child's dance shoes with their first initial and last name; it is very common to have several children with the same first name in the same class! We want to be able to return the proper shoes to the proper child if the shoes are left behind at the studio or in the parking lot.

Can I make-up the class that I missed?

If your child misses a class, you have the option to make the class up. You can do this in any other class of the same level. If there is not another class of the same level offered, please check with your child's instructor for an appropriate alternative. You have 60 days from the time that you missed to make the class up after that, you have forfeited the opportunity to make the class up. Please see the front desk for a "make up slip" to fill out at the time that you come to make up the class.

IMPORTANT! Any classes missed after April 30th cannot be made up due to the rehearsal of recital dances.
